What is the verse of the week?

You may have noticed by now inside the bulletin there is a verse of the week. This verse is there to help us memorize Scripture, reflect upon that verse during the week, and on Tuesdays to share on Facebook reflections or insights you gained from ruminating on those verses during the week. The "Verse of the Week" can also be found on our Facebook post on Thursdays for the bulletin, on the scroll of announcements before Sunday morning Worship, and also read aloud during the time of announcements for the church family.

The purpose of this is to interact with Scripture and interact with each other through comments on the Facebook page in regard to the verse. Be looking on Tuesdays for the verse of the week discussion post to ask for your comments. It is a way for us to learn from one another while gauging the interaction online to see what else may be done for future spreading of the gospel online here in our community or how we may implement other opportunities for online studies throughout the week. So, what is the verse of this week? **Look inside this bulletin.**

Keep fired up, Mark White

*Ladies Day is coming up soon.
