"In The Beginning Was the WORD"

As John leads us through our journey of faith, he starts with these words, *"In the beginning was the Word. And the Word was with God. And the Word was God."* As he continues on it becomes obvious that the Word is Jesus Christ. Why does John choose "the Word" to describe Jesus? I'm not 100% sure, but I do recognize that "the Word" conveys communication. We use words to communicate everyday. And communication is important in all aspects of life: the family, a company, an athletic team and the church. We are all about how to communicate more efficiently. It is amazing how far communication has come just in my lifetime.

Throughout history, God has wanted to communicate with His creation. In Old Testament times it was through prophets and the written Law. But that wasn't enough. The writer of Hebrews tell us, *"In the past God spoke to our forefathers through the prophets at many times and in various ways, but in these last days He has spoken to us by His Son, whom He appointed to be heir of all things and through whom He made the universe."* God's ultimate source of communication with His creation is His Son, Jesus Christ.

As we journey through the Gospel of John, let us listen as Jesus communicates to us. Let us intently be led by "the Word" to a faith that brings life eternal.
