They are due back late Monday evening!

**PRAYING FOR OUR SICK**

Pamela Andersen had a heart cath on Wednesday in Longview. She had some blockage but not enough for a stent. Brenda Sartain will have another stent put in on Friday, July 25. Pray for her. Don Thompson had a heart test on Wednesday and is tentatively scheduled August 14, for a procedure on his heart valve. This should help him with his congestive heart failure. Please pray for Nora Phillips who is back in rehab in Daingerfield. She had come home but her counts were out of control. Jessica Jones did get a good report on her cancer scan but has some other problems caused by the chemotherapy. She will have surgery in December to take care of those problems. Pray for her. Please continue your prayers for Bobby Sparks, who is very ill at home. Pray for John Burrows who has started treatment for pancreatic cancer. Please continue prayers for Maria Sloan.
